**COOLED SEMEN CONTRACT**

The agreement between HANSON'S RIVER RANCH, INC (Hanson's River Ranch) and the owner or lessee of the mare (Owner) described herein is dated as of \_\_\_\_\_, at Kingsburg, California. Owner hereby agrees to present the mare \_\_\_\_\_ (Mare), registration # \_\_\_\_\_, for breeding to the stallion **A Cat Under The Hat** (Stallion) during the 2022 breeding season, beginning February 7<sup>th</sup> and ending July 1<sup>st</sup>, subject to the following terms and conditions:

1. The Collection Fee is at **\$400.00**, which includes the shipped semen fee for the first shipment (courier fees not included). This completed contract and a copy of Mare's registration papers must be received along with collection fee prior to semen being shipped.
2. It is understood that all subsequent shipments, if necessary, must be paid in advance by Owner at \$400.00 per shipment. Counter-to-counter shipments will be subject to a \$200.00 courier fee per shipment.
3. It is further understood that should the Stallion die, or become unfit for service for any reason, then this contract will become null and void and both parties are relieved of any further obligation hereunder.
4. It is the responsibility of Owner and his/her veterinarian to confirm the stallion's shipping days. Resident mares have priority and semen will be shipped on its availability in the order we are notified. There is no guarantee of availability of cooled semen. It is also understood, that due to the extensive show schedules of some performance horse stallions, Hanson's River Ranch is not responsible if Stallion is unavailable for collection during the breeding season. In the event that Stallion is not available for collection, and frozen semen is available and requested by Owner, it is understood that there will be an increase in shipping fees.
5. Hanson's River Ranch only assumes responsibility to ship semen in viable condition and shall not be held liable for contamination of semen during and after shipment, loss of viability, or any costs arising from shipments delayed, damaged, or lost in transit. Hanson's River Ranch does not guarantee the fertility of any stallion but agrees to process each ejaculate to optimize 24-hour post cool motility, and subsequent fertility. Every effort should be made to inseminate Mare within 24 hours after collection from Stallion. Owner agrees to use all cooled semen provided by this agreement for the mare named in this agreement, and no other.
6. International shipments will be charged shipping and duty fees that exceed the normal costs for shipping within the domestic United States.
7. It is imperative that the container be returned to Hanson's River Ranch within three (3) days after the date of delivery (i.e. received on Monday must be returned Thursday). Owner will be charged a \$25.00 per day late charge. Late charges will be applied to Owner's account and must be paid prior to any subsequent shipments. The shipping container and its components must be returned complete and in

good condition. If any of the components (i.e. coolant cans, ballast bags, etc.) are damaged or missing, the cost of replacement will be charged to Owner's account. Should Owner fail to return the container, Owner agrees to pay for its value of \$250.00.

8. Monthly statements shall be due and payable upon receipt. Interest shall accrue at one and a half percent (1½ %) on such amounts 30 days past due and shall be compounded monthly from the due date, until paid in full.
